I met with Ms. Watson. It was a bit tough as she had list of complaints. But in the end, I assured her that this was high enough on the queue that it should done by the projected early Feb and that we'll reach out to her if anything changes. I'll send Ex. 6 Personal Privacy (PP) a reminder note to make sure this stays on their radar.

Also, she mentioned the Ex. 5 Deliberative Process (DP)
